WHEN PLAN COVERAGE STARTS AND ENDS: Plan benefits start on the date you purchase the Plan.

Plan coverage expires on 01/03/2023.

COVERAGE UNDER AUTO APPEARANCE: This Agreement covers PDR (Paintless Dent Repair) repairs of minor dents to exterior vertical and horizontal painted sheet metal body panels of the vehicle identified on this Agreement, subject to the conditions, exclusions and limitations contained herein. Provision of service under this Agreement will not be provided on a particular dent in the event that the certified technician deems the dent(s) not completely repairable using the PDR process. The agreement also contains a limitation to the size of a dent that will be repaired on horizontal panels. Dents on a horizontal panel in excess of four (4) inches in diameter are not covered under this Agreement. If we deem the damage not repairable, you may seek a second opinion. In the event any PDR Provider completely repairs damage we deemed not repairable, we will pay that PDR Provider for your repairs a commercially reasonable repair fee if the PDR Provider only used PDR processes to make the repair.

As long as conditions herein are met and the damage can be repaired through the PDR process, there are no limitations as to the number of times the PDR process can be used within the term of the Agreement. Any damage that can be completely repaired on vertical panels, using Paintless Dent Repair PDR methods will be repaired regardless of the number of repairs you request. Dents no larger than four (4) inches to the horizontal panels (except for repairs to roof panels that contain a sunroof) that can be completely repaired using PDR methods will be repaired, regardless of the number of repairs you request.

PDR (Paintless Dent Repair) is a process that uses specialized tools to gently push dented metal on your motor vehicle back to its original form. This procedure permanently removes minor dents without harming the vehicle's factory finish. Most small dents can be removed using the PDR process. Collision damage or very deep dents cannot be repaired under this system, are not covered under this Agreement and must be repaired at a traditional paint and body shop (See "The Plan Will Not Cover or Apply to Loss or Expense Resulting From"). Repainting the dented area is not covered by this Agreement; however, the PDR technician can often rub out light abrasions and/or remove paint transferred from another vehicle during the PDR process.

PLUS COVERAGE: In addition to the PDR benefits above, this agreement also covers repairs to minor chips and cracks to the front windshield when the damage is not in the direct line of sight of the driver that are less than six (6) inches long for cracks and smaller than 1.5 inches for minor glass chips or star cracks. This Plan also provides for minor repairs to interior leather, vinyl and cloth upholstery, seats and trim panels, carpet and carpeted floor mats where the damage (burn holes, cuts, rips, and tears) are smaller than two (2) inches. Provision of service under this agreement will not be provided on a particular windshield chip or crack or vehicle interior rip, cut, tear, or burn hole in the event that the certified technician deems the individual damage not completely repairable using the approved repair process. Under no circumstances will this plan cover the cost to replace the windshield, interior seats, upholstery, carpet or floor mats.

As long as conditions herein are met and the damage can be repaired through the approved windshield or interior repair process, there are no limitations as to the number of times the repair process can be used within the term of the Agreement.

FOR PAINTLESS DENT REPAIR AUTHORIZATION AND REPAIR CLAIMS: To arrange for service under this Agreement, You must first call the Plan Provider at **1-800-753-3683** to obtain prior authorization.

Once authorization is granted, a certified technician will then contact you to coordinate a day and time to provide covered Plan services at your selling Dealer. In the event you are unable to return to the selling Dealer location, you may request to have service performed at any Dealer on your vehicle within the 50 U.S. States and the District of Columbia.

You may not seek service from any other vendor, or receive any provision of service under this Plan without prior approval of Dent Zone Marketing Group Inc (Dent Zone).

Important: Any PDR service performed without prior authorization from Dent Zone is not covered.
