

## Getting a Mopar Vehicle Inspection is easy:

- 1) Print the Used Vehicle Inspection Form below and take it with you to your Mopar Dealer. NOTE: Do NOT have a vehicle inspected that had a *lift kit* installed after it was built because it is NOT eligible for extended service plans. A vehicle that has been declared a total loss by an insurance company also does not qualify for any service plans.**
- 2) Please take the Used Vehicle Inspection Form to your Chrysler, Jeep, Dodge, Ram, Fiat or Alfa Romeo dealer and if the price is reasonable arrange for the inspection. TIP: Do not call for an appointment as since some service departments are not familiar with the form until they see it.**
- 3) If your vehicle passes (requires no repairs) send the completed inspection form to us via email. If repair work is needed for your vehicle to pass inspection, please send a copy of the paid repair order along with the final inspection form.**

Thanks for considering us for your Factory-Backed extended service coverage. Zeigler Auto Group is able to offer Genuine Mopar Vehicle Protection Plans as a Chrysler Jeep Dodge Ram dealer located in West Michigan. We offer plans in all 50 states.

The vehicle inspection is required if your vehicle is beyond the Basic Factory Warranty. If you have a Mopar plan that is about to expire you will not need an inspection unless you are upgrading coverage. However, if you are increasing coverage or you do not currently have a plan, your vehicle will need an inspection.

The Used Vehicle Inspection Form on the next page must be completed within 30 days before purchasing your plan. It is your responsibility to find a **Chrysler, Jeep, Dodge, Ram, Fiat or Alfa Romeo** dealer and to pay for the inspection of your used vehicle. The dealer must complete all sections -- Vehicle Exterior, Interior, Under Hood, Undercarriage, Test/Performance, and Other Checklists.

The completed fully passed Used Vehicle Inspection Form, and if necessary, a copy of the paid Repair Order should be emailed to **bob@zeigler.com** or faxed to **269-585-6004**. Feel free to contact us at 866.943.7778 during our business hours.

Thank you,

# Vehicle Inspection Form

It is **MANDATORY** that all used vehicles are inspected and all required repairs are performed prior to the sale of a Mopar Vehicle Protection plan. Claims for repairs made to vehicles with pre-existing conditions will not be authorized for payment.
